Immune system support

SmartCanine Allergy

SmartCanine Allergy provides comprehensive immune system support for dogs of all ages. The combination of Omega 3 Fatty Acids, MSM, and pre–and probiotics–along with powerful antioxidant protection from the bioflavonoids in green tea, pine bark and other ingredients, is designed to help protect cells and tissues from damage due to oxidative stress and other conditions.

4 out of 5 stars

"I have two dogs with severe allergies. Both have tried numerous skin supplements and this one is the only one that has helped. **The itching completely stopped as well as the hives and hot spots on the other dog.** Love this product!!
