Comprehensive joint and connective tissue formula intended for hard-working performance horses and to support normal recovery in injured horses. Powder.

Cautions:

- Safe use in pregnant animals or animals intended for breeding has not been proven.
- Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish.
- If lameness worsens, discontinue use and contact your veterinarian.
- Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.
- Federal law prohibits the off-label use of this product in ruminants.
- An examination from a veterinarian is recommended prior to using this product.

For use in horses only.

Directions for Use: Administer 32 g daily, 1 scoop = 32 g

Warnings:

- For animal use only.
- Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
