Net Contents 1.85 lbs (0.85 kg) • 28 Day Supply

Cost-effective joint support with ingredients to manage discomfort in the older horse. Provides antioxidants to fight free radicals as well as digestive enzymes and probiotics to maintain efficient digestion and healthy weight. Powder.

Cautions:

- Safe use in pregnant animals or animals intended for breeding has not been proven (Boswellia).
- Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish.
- Use with caution in animals at risk for GI ulcerations (Devil's Claw Extract).
- An examination from a veterinarian is recommended prior to using this product
- If lameness worsens, discontinue use and contact your veterinarian.
- Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.
- Federal law prohibits the off-label use of this product in ruminants.

For use in horses only.

Directions for Use: Administer 30 g daily, 1 scoop = 30 g

Warnings:

- For animal use only.
- Keep out of the reach of children and other animals. In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
