### SmartBreathe®

Breathing problems can effect your horse's performance and make riding less fun for you *and* your horse. But SmartBreathe can help. Key ingredients support respiratory cells and a normal inflammatory response, so you and your horse **breathe easy and focus on what really matters** – having a good ride!

## What makes it smarter?

MSM and carefully selected herbs to support a normal inflammatory response in the respiratory tract

Comprehensive selection of potent antioxidants to support tissue health

## Is it the solution for my horse?

SmartBreathe is the most comprehensive respiratory supplement available, making it ideal for any horse bothered by cough or allergens. SmartBreathe contains MSM and herbs, like Bromelain, to soothe airways and support a normal inflammatory response. The amino acid N-Acetyl Cysteine is combined with an array of antioxidants, including Vitamin C, Citrus Bioflavonoids, Quercetin, Grape Seed Extract and Super Oxide Dismutase for overall respiratory cell health.

## Real Results

**“** This product allows us to continue riding and competing. It is the only product I have found that **actually allows him to BREATHE!**

– ML from Brookings, SD
