## What makes them smarter?

**Proven joint health ingredients including Glucosamine, Chondroitin Sulfate and Hyaluronic Acid**

**Probiotics, prebiotics and enzymes to promote proper digestion and aid in weight maintenance**

**MSM, Devil's Claw\* and Boswellia\* to help fight inflammation associated with exercise and age**

\*Not included in Herb-Free formula

## Is it the solution for my horse?

**SmartFlex Senior** offers comprehensive support for older horses. In addition to ingredients for complete joint and digestive health, SmartFlex Senior includes Super Oxide Dismutase and Vitamin C. These powerful antioxidants fight free radical damage, support a healthy immune system, and are vital to tissue health throughout the body.

**SmartFlex Senior Herb-Free** provides the same benefits as the original formula without the herbal ingredients. This makes it ideal for older horses that compete or those with sensitive stomachs, where Devil's Claw may not be appropriate.

## Real Results

“My 20-year-old Quarter Horse moves like a 4 year old! **SmartFlex Senior should definitely be re-named Wonderflex!** – SS from Middletown, OH

“Noticed improvement in less than a month in our 23-year-old pony. **All our horses are now on SmartFlex Senior.** – KVV from Nunica City, MI
