### SmartGain 4®

Got a hard keeper? Then you know how frustrating it is when no matter what you do, you can still count your horse's ribs from across the field! Instead of simply increasing his grain, consider adding a weight gain supplement like SmartGain 4. This comprehensive formula helps your horse gain and maintain weight, so you can **stop worrying and start enjoying time with your happy, healthy horse!**

### What makes it smarter?

✓ 93% of customers would recommend SmartGain 4 to a friend

Order in SmartPaks for the best value and the ultimate peace of mind

### Is it the solution for my horse?

**SmartGain 4** is designed for hard keepers, seniors, and any horse needing help gaining weight or maintaining healthy body condition. This formula is the ideal weight gain solution, with four complementary methods of support. These include: Essential amino acids, which are the building blocks of protein and therefore required for lean muscle mass, particularly in older horses; Added calories from high quality fat sources; Digestive support from probiotics, prebiotics and enzymes; The tasty herb Fenugreek to encourage a better appetite in picky eaters. With its synergistic combination of ingredients, this unique formula offers a more comprehensive approach to weight gain than any other supplement on the market!

### Real Results

“ Jiffy will turn 30 in 2011... last winter was particularly difficult for him. I turned to my SmartPak catalog for help and found SmartGain 4. Within a short time...his coat and attitude improved and he gained both weight and condition. **Now Jiffy is very healthy, nicely filled out and ready for another Northeastern winter.**

– NP from Arrowsic, ME
