

# **Farrier's Formula®**

## ***Double Strength***

### **Adult Replenishment Feeding Level Adult Maintenance Feeding Level**

For horses with hoof problems, Farrier's Formula® *Double Strength* Replenishment Feeding Level will provide sufficient nutrients to build strong structural and connective tissue proteins important for healthy hoof structure and growth.

#### **Adult Replenishment Feeding Level:**

**For each 1000 lbs (450 kg) of body weight feed 1/2 measuring cup (85 grams, or two SmartPak® wells) of product per day.**

After feeding the Adult Replenishment Feeding Level for at least 6 to 8 months and the desired results have been achieved, the Adult Replenishment Feeding Level may be reduced by up to one half to the Adult Maintenance Feeding Level. If problems re-occur or persist, resume feeding at the Adult Replenishment Feeding Level.

#### **Adult Maintenance Feeding Level:**

**For each 1000 lbs (450 kg) of body weight feed 1/4 measuring cup (42.5 grams, or one SmartPak® well) of product per day.**

Eleven pounds (5 kg) of product is a 60 day supply for a 1000 pound horse at the Adult Replenishment Feeding Level or 120 days when feeding at the Adult Maintenance Feeding Level.
