Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven. Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset. Federal law prohibits the off-label use of this product in ruminants. Absorption of drugs taken simultaneously may be delayed (Fructooligosaccharides).

For use in horses only.

4.7 stars (over 105 reviews)

Warnings:

- For animal use only.
- Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.

Directions for Use:

Administer 110 g daily,
1 scoop= 55 g (2 scoops daily)
