## Directions for Use:

Administer 22 g daily, 1 scoop=22 g

112 SERVINGS

For use in horses only.

### Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven. Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

### Warnings:

- For animal use only.
- Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
