Doxycycline Hyclate

NOTE:

This product is FDA-approved for use in humans only. Using this product in animals is considered extra-label drug use and is permitted when a valid veterinary-client-patient relationship exists and a prescription has been written. Follow your veterinarian's instructions carefully when using this product.

You may be sent an FDA-approved generic drug that may be manufactured by more than one company. Therefore, the product you receive may not always have the same label, color or shape.

How Supplied by SmartPak –

Doxycycline is available in 100mg strength, in 50-count or 500-count bottles.

Category – Doxycycline is a broad-spectrum antibiotic synthetically derived from oxytetracycline.

Indications (Uses) – In humans, Doxycycline is for the treatment or prevention of infections that are proven or strongly suspected to be caused by susceptible bacteria.

Dosage and Administration – Follow your veterinarian's instructions.

Contraindications – Doxycycline is contraindicated in persons who have shown hypersensitivity to any of the tetracyclines.

Human Warning –Keep out of reach of children.

Additional Warnings, Precautions, Drug Interactions, Adverse reactions (Side

Effects) and Contraindications – See package insert.

Storage Conditions: Store below 86F.
